June 19, 2025

New Hampshire Motor Speedway  
PO Box 7011  
Loudon, NH 03307

Dear Mr. Goslant:

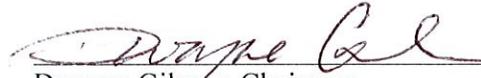

As you are aware, the Board of Selectmen issued a Special Event License, pursuant to RSA 286, for a motorcycle show, that, among other places, allows attendees to ride down certain Town roads and back to the subject property of New Hampshire Motor Speedway. The event period is from June 13, 2025, until June 22, 2025. The lone condition was that marshals would accompany these riders from start to finish. The Board implemented this condition because the evidence at the public hearing held on June 10, 2025, showed that these motorcycles, when unaccompanied by marshals, pose a danger to the public health and safety due to excessive speeding and inexperience of the riders.

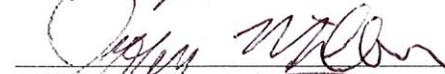

At the Board's meeting on June 17, 2025, the Town's Police Chief explained to the Board that this condition was not being followed, and these riders are recklessly disobeying traffic laws. In fact, the Police Chief advised the Board that during this time period there have been 50 tickets issued, 77 calls from the public and 2 motorcycle accidents. Accordingly, the Board has serious concerns that you are violating the Special Event License and are risking injury to the public, town officials and riders.

Please be aware that the Board has the right to revoke the Special Event License based on the above. Further, the Special Event License provides for a \$275 per day fine plus legal expenses for every day the violation continues. At this time, however, the Board requests that you attend a Selectmen's meeting in July to discuss the above allegations and whether future such events will be allowed and, if so, what other conditions, if any, may be required. Please contact the Town office to schedule a meeting with the Board.

Thank you for your attention to this matter.

Loudon Board of Selectmen

  
Dwayne Gilman, Chairman

  
Jeffrey C. Miller, Selectman

  
Marc Griffin, Selectman
